

Ranked #1 Pizza
4 years in Jefferson City

It is said that once you've eaten w/ someone of Greek heritage, you become their family. This warm environment and welcoming spirit is what draws so many people to Arris' Pizza. What you will find here will keep you coming back, as it has for over five decades.

In September 1961, pizza restaurants were scarce in Jefferson City. The City needed a family gathering place, and Arris Pardalos (born near Mount Olympus, Greece in 1935) needed a welcoming home to introduce his pizza recipe. The pairing proved to be ideal and Arris' Pizza was soon on its way to becoming a Jefferson City landmark.

Arris' began in a small building at 47 West High Street, across from the Capitol. The restaurant now occupies three buildings, has a seating capacity of 200, and employs more than 45 people, including the Pardalos family.

Now famous throughout the Midwest, Arris' Pizza attracts customers who keep coming back, and who will travel far to indulge in the acclaimed pizza, salads, and sandwiches. When customers visit the restaurant, they can extend their enjoyment by taking home a "half-baked souvenir"—an Arris pizza that can be taken home to be eaten at a later time. These pizzas are so popular that they are mailed all over the country to Arris' fans.
